Conclusion

Studying other languages, enlarge one's worldview, liberalize one's experiences, and increase one's adaptability and tolerance. Studying a foreign language fosters more accepting attitudes and reduces prejudice towards those who are different. And studying a foreign language allows us to be able to exercise abilities such as problem solving, coping with abstract notions. Your comprehension of a foreign language will therefore increase.

Notice of AY 2020-21 Convocation Ceremony (FLP – Japanese)

In response to the rapid spread of Novel Coronavirus (COVID-19) in Pune, College has decided to hold but scale down the convocation ceremony of Foreign Language Program - Japanese to be held on Friday, September 24, 2021.

However, considering the current situation as well as following the opinions from infectious disease specialists, we came to this conclusion that having the ceremony in the usual way could increase the risk of infection and that it is our priority to protect the health of all students and their family members.

Instead, we will call only first three topper students representatively.

DATE and TIME : September 24th (Friday) 12:00~

VENUE : Principal Sir's Cabin

ATTENDEES : Three representative students of the course, Principal, Incharge, HoD and Course Director, etc.

*NOTE:

1. Except for three representative students all students and family members are requested not to enter the venue.
2. As for representative students with high fever or with respiratory symptoms, please refrain from attending the ceremony.
3. As for representative students we will install hand sanitizers in front of the entrance. Please use them to protect yourselves with wearing face masks and washing your hands.
