Proposal for

Activity: Poster Competition

Introduction:

The department organize poster competition for participative learning for the students. The competition provided the students with ample opportunities to showcase their presentation as well as design skills. It also builds teamwork between the students.

Objective:

1. Encourage the students to participate in competitions.
2. To explore their designing skills.
3. To develop their presentation skills.
4. To build team spirit among the students.

Outcomes:

1. Students will be participated in different competition.
2. Students will be showcasing their presentation and designing skills.
3. Students will get confidence of public speaking.
4. Students will be understanding the importance of teamwork.

Date: 9th October 2023

Time: 11.00 AM to 1.00 PM

Venue: Electronics Lab

No. of students: 50
