Event Name: One Day Visit of T.Y.B.Sc. at Mother's Recipe and Chitale Bandhu Mithaiwale Factory Outlet

Date & Time: 5th February 2024, One day

Coordinator: Ms. Yogini Kanade

Department Name: Microbiology

No. of student attended the workshop: 43

Note about the event:

Department of Microbiology had organised a one-day visit of T.Y.B.Sc. Students as a part of their practical syllabus at Mother's recipe factory outlet, Shirwal and Chitale Bandhu Mithaiwale production plant at Khedshivapur on Monday, 5th February, 2024. There were total 43 students accompanied with four teaching and 2 non-teaching staff.

First at the factory outlet of the Mother's recipe, students saw different processing of the food at industrial level. They also gained knowledge of the various units a food industry have. They asked questions to the technicians there regarding different processes they have learnt in their theory. They also enjoyed shopping of their favourite food items directly from the factory outlet.

Later, they saw the processing of the famous snack Bakarwadi at the production plant of Chitale Bandhu Mithaiwale at Khedshivapur. They discussed with the expert there about the manufacturing unit details. After that, they happily ended the visit with fresh hot bakarwadi.

Overall, it was a good experience for the students to actually see different manufacturing processes, which they have learnt in their theory.
