Department of Microbiology

Department of Microbiology, Haribhai. V. Desai College of Arts. Science and Commerce Pune had organised an educational visit to Blood Bank for T.Y.B.Sc. students on 8/1/24 at KEM Blood Bank Pune- 411001.

The objective of the visit was to create awareness in students regarding the Blood Banking procedures. Assistant Professor Mrs. Priyanka Antad and colleagues arranged the said visit. The visit was informative. It was a two hours visit, which started at 11.00 AM. Mrs. Sawant and her colleagues gave information about storage, equipments, RDP, SDP, different blood groups, detail about rare blood group, information about blood, information about blood donation, procedure about blood donation, product packing, separation of blood products, labelling, demotions, colours used of denotations. They learn how a single unit of whole blood can be separated in three different components such as PLASMA, PLATLET, and conc. RBC and can save three lives. The students asked questions/queries to the guides and they answered all of them. The students were very happy after this visit, they got ample knowledge about Blood banking, and the guidelines given by them are very important for their future aspects.
