

NOTICE

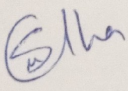

Date: 30/10/2023

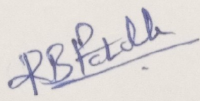

All the students of **M.Sc. I Microbiology** kindly note a Practical Session on ,
“**Interpretation of Ramchandran Plot and study of conformations of protein molecule**
using Molecular Graphics Visualization Tool” by **Ms. Jyoti Otageri** has been scheduled
on 1st November 2023 at 10.30 am to 1.00 pm.

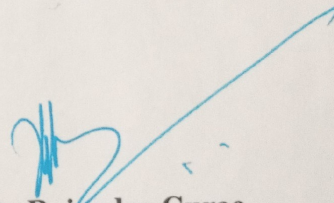

All the students should attend the session. Please carry your laptops for the same.

Venue: Microbiology Laboratory(308)

Ms. Sudha M. Adya
PG Coordinator
Dept. of Microbiology

Dr. Rajashree Patwardhan
HOD Microbiology
Vice-Principal, Science

Dr. Rajendra Gurao
Principal

Activity Report

Activity Conducted By: Ms. Sudha M. Adya

Topic: Practical Session on Interpretation of Ramchandran Plot and study of conformations of protein molecule using Molecular Graphics Visualization Tool by Ms. Jyoti Otageri

Date: 1st November 2023

A Guest lecture on Interpretation of Ramchandran Plot and study of conformations of protein molecule using Molecular Graphics Visualization Tool was conducted on 1st November 2023 by Ms. Jyoti Otageri, Assistant Professor, Sinhgad College of Science.

Event Date: 1st November 2023

Event time: 10.30 am to 1.00 pm

Venue: Microbiology Laboratory, H.V. Desai College, Pune

Activity Co-ordinator: Ms. Sudha M. Adya

Department Name: Microbiology

For Whom: M.Sc. Students

Platform: College Level

Objective of the Activity:

1. To learn about the basics of Ramchandran plot
2. To get acquainted with the softwares Swiss PDB.
3. To study of conformations of protein molecule using Molecular Graphics Visualization Tool.

Brief Report:

The practical session on Interpretation of Ramchandran Plot and study of conformations of protein molecule using Molecular Graphics Visualization Tool was conducted by Ms. Jyoti Otageri. The Speaker was welcomed by Ms. Sudha M. Adya, PG coordinator, Department of Microbiology. 30 Students of M.Sc. I attended the session. Faculty members Dr. Suchitra Patil was also present for the session.

The speaker talked about the basics of biological databases. She explained about the various software like Swiss PDB used for study of conformations of protein molecule. She talked about the various applications of the software. Assignments were given to the students to solve in the practical session. The session helped the students to know about the study of conformations of protein molecule using Molecular Graphics Visualization Tool.

The Poona Gujarati Kelawani Mandal's
Haribhai V Desai College (Arts, Science and Commerce), Pune 411002
Department of Microbiology

Outcome:

1. Students became aware of the software used in the study of conformations of protein molecule
2. Students were able to determine the conformations of protein molecule using Swiss PDB

Conclusion:

The session was helpful to the students in understanding the application Ramachandran plot in the prediction of the quality of various protein structure determined using experimental methods.

Activity Report (Academic Year - 2023-24)

Basic Details: Practical session on Interpretation of
Ramchandran plot

Name of the Activity: Practical session on Interpretation of Ramchandran Plot			
Date	Faculty	Department/ Committee	Coordinator Name & Phone Number
1.11.24	Science	Microbiology	Sudha M. Adya
Time	Venue	Activity for Class /group Expected student number	Nature: Academic/ Co- curricular / Extracurricular/ Environmental / Social/ Other
10.30 to 1.00	Microbiology Lab	M.Sc I students Microbiology	

Support/ Assistance:

Brief Information about the Activity (Criterion No. :-) :

Topic/ Subject of the activity	Practical session on Interpretation of Ramchandran Plot
Objective for conducting the activity	Basics of Ramchandran plot to be taught
Methodology	Practical session
Outcome	Students became aware of S/W for confirmation of protein

Subject: Invitation as Resource person for Practical Session on, "Interpretation of Ramchandran Plot and study of conformations of protein molecule using Molecular Graphics Visualization Tool"

Dear Madam,

We have started M.Sc. Microbiology in the academic year 2016-17. We emphasize to give the students' knowledge about various aspects of Microbiology. The students would get acquainted with recent advances in Microbiology by interactions with eminent speakers. With great pleasure we would like to invite you for conducting the Practical Session on, "Interpretation of Ramchandran Plot and study of conformations of protein molecule using Molecular Graphics Visualization Tool" for the M.Sc.I Microbiology students on 1st November 2023 from 10.30 am to 1.00 pm.

Your expertise and knowledge in the area would help the students to understand the topic.

We look forward to your presence and guidance.

Thanks and regards,

Subject: Practical Session on, "Interpretation of Ramchandran Plot and study of conformations of protein molecule using Molecular Graphics Visualization Tool"

Dear Madam,

We would like to thank you for taking time from your busy schedule and conducting the practical session on Interpretation of Ramchandran Plot and study of conformations of protein molecule using Molecular Graphics Visualization Tool" for the M.Sc.I Microbiology students on 1st November 2023.

The session helped the students to understand the protein structures and conformations using Swiss PDB software. The practical session was highly appreciated by the students. We are grateful for the time and effort taken by you to guide our students.

We look forward for your continued and valued association with us.

Thanks and regards,
