Action Taken Report (Parents) (2018-23)

Total Feedbacks=317

Sr. No.	Summary/suggestions	Action Taken & implemented
33.	Considering the effect of Covid-19 on various jobs and businesses, parents have also suffered economically and therefore request to adjust the admission fee.	College authorities, being the self-finance unit, have considered case to case request and given instalments for payment of fees as per the request of parents and students.
34.	<ul style="list-style-type: none">Fees of third year is high as compared to previous two years, it should be reduced.College is nice in studies and all other activities and I appreciate it.	<ul style="list-style-type: none">Fee structure is changed as we are self-finance college. To pay the fees instalments are given considering the financial burden on parents.Good feedback for academics and overall development
35.	Self -confidence was built in students. Thank you to all teachers.	Appreciation in feedbacks motivate the faculty and staff to improve more on services, hence feedback is shared with the faculties and asked to continue the same performance.
36.	.Parking system can be little improved.	Improvement in infrastructural facilities is under process within the given limitations of area.
37.	Every teacher should always connect with students about their studies.	<ul style="list-style-type: none">The teachers are informed to improve interaction with students regarding their studies and performance.The same is communicated to parents through parents meeting.
38.	New courses should be included.	College planned to start new courses and few of them have been started.

Action Taken Report (Students) (2018-23)

Total Feedbacks=15411

Sr. No.	Summary/suggestions	Action Taken & implemented
39.	Need availability of teachers for students.	Time tables of lectures were monitored. Sometime if any faculty left new faculty is appointed in the meantime it is taken care of no impact on syllabus completion.
40.	Need to improve online lectures methodology	Special FDP conducted on teaching methods.
41.	Teachers should arrange skill development programme along with teaching.	<ul style="list-style-type: none"> Industrial visits, on job training or project, value added programs for skill development, foreign language is under consideration and under process. Efforts are being made for strengthening placements and internships.
42.	<ul style="list-style-type: none"> Need projectors in all classes to understand the program. Admission fee should be reduced. 	<ul style="list-style-type: none"> Smart boards were introduced. Portable projectors are also present. Instalments and necessary period is given for payment of fees
43.	<ul style="list-style-type: none"> Teacher use other language for explanation of English subject. Need more interactive programmes. 	<ul style="list-style-type: none"> Shared the feedback with the faculties and given necessary instructions to make a lecture more interactive and being English is a medium of instructions asked to explain the points is English. Industry exposure by way on On job training in first year included in syllabus and Interactive sessions by guest speakers is arranged for students.
44.	Sometime explain in Marathi	We have noted this suggestion and directed our teaching staff about it.
45.	Teachers need to upgrade the subject knowledge.	Teachers do try to interact with the students, give updated knowledge but there is a limitation of completing syllabus also but still considering the suggestion we will try to

		follow this suggestion and give priority to understanding and giving of updated knowledge to the students.
46.	<ul style="list-style-type: none"> There is a need to organise more events and other activities. Communication should be more transparent and clearer. 	<ul style="list-style-type: none"> We will plan to conduct more events and curricular and extracurricular activities. It is a mutual responsibility of students and teacher to have clear and transparent communication with each other.
47.	All teachers are giving too much effort in T.Y.B.Sc. Thank you for your support and love to us.	Since T.Y.B.Sc. is the final year of graduation all the teachers focus more on the T.Y. students for their benefit.
48.	Non-teaching staff should be cooperative with students.	Necessary instructions were given to staff and Vice principals were also monitored in person.
49.	Canteen facility is not provided	Canteen facility is available in the college.
50.	Cleanliness of classrooms	The matter has been brought to the notice of infrastructure maintenance team. Necessary action has done.
51.	Provision of hand wash and liquid soap.	The matter has been brought to the notice of infrastructure maintenance team. <ul style="list-style-type: none"> Necessary action is being initiated.
