"Innovate, Integret, Elevate"

September 2025

Dr. Sagar S. Jagtap
Head & Associate Professor,
Department of Physics and
Dean, Faculty of Science &
Technology,
Haribhai V. Desai College.

The Department of Physics promotes scientific inquiry through quality teaching, innovation, and research. With advanced laboratories and a recognized Ph.D. centre, it conducts major research in biophysics, gravitational biology, material science, and energy physics, collaborating with institutes like SPPU, ISRO, C-MET, and NCL. A major ISRO-funded project (Rs. 18.72 lakhs) on microgravity effects is currently underway. The department also supports student engagement through the SPARK India Program and provides full assistance for research projects, internships, training, and placements. We thank the Principal and Management for their support and appreciate IQAC for launching the Monthly News Bulletin.
