Pune Zilha Sahakari Dudh Utpadak Sangh Maryadit, popularly known as 'Katraj Dairy' in the local and branded as "Katraj", a district level co-operative organization registered in 1960, involved in processing milk and milk products. The representatives of milk producing farmers based in rurals, encompassing almost the entire Pune District, manage this organization on behalf of the milk producers for their (rural India) socio-economic growth. The objective of Katraj is to build a value chain of farmers to source milk at an organized level, manufacture products with high standards and sale these products in the competitive open market place.
