Activity Report

Activity Conducted By: Ms. Sudha M. Adya

Topic: Interactive session with Alumni Ms. Apoorva Janorkar

Career Avenues in Research in Microbiology

Date: 2nd August 2023

An interactive session with Alumni Ms. Apoorva Janorkar with the M.Sc. Microbiology students was conducted on 2nd August 2023

Event Date: 2nd August 2023

Event time: 11.00 am to 12.00 pm

Venue: Microbiology Laboratory, H.V. Desai College, Pune

Activity Co-ordinator: Ms. Sudha M. Adya

Department Name: Microbiology

For Whom: M.Sc. Students

Platform: College Level

Objective of the Activity:

1. To guide the students about various career opportunities in Research in Microbiology.
2. To interact with present students
3. To motivate students to pursue career in Microbiology.

Brief Report:

The interactive session with Alumni **Ms. Apoorva Janorkar** helped in guiding the students regarding the Career Avenues in Research in Microbiology. The aim of the interactive session was to motivate our present students to do much better in the future by the suggestions and notable examples displayed by our former students. The rich experiences and struggles of our previous students would help in the growth of our present students. 26 Students of M.Sc. II actively participated in the session. The interactive session was highly appreciated by the students

Ms. Sudha Adya, PG Coordinator, Department of Microbiology welcomed the guest. **Ms. Apoorva Janorkar** explained about various aspects of pursuing research career. She emphasized on the importance of gaining various microbiological skills and research aptitude. She guided the students about various opportunities in the research institutes of national and International repute.

The session helped the students in knowing about the various opportunities in the research institutes and also about various career options in the institutes. The guidance and suggestions provided by the speaker would help the students to build a career in the arena of Research in Microbiology.

The Poona Gujarati Kelawani Mandal's
Haribhai V Desai College (Arts, Science and Commerce), Pune 411002
Department of Microbiology

Outcome:

1. Students became aware of the various career opportunities in the research institutes.
2. Students were made aware about various skills and academic background required in the research institutes.

Conclusion:

The session was helpful to the students to know about various career opportunities in the research institutes in Microbiology subject domain.
