Event Day and Date:	22nd March 2024 Friday
Event Time:	11.00 AM to 12.30 PM
For whom:	Computer Science students
Venue:	Visit to Jeevandhara Vidyalaya, Phadke Haud
Number of Participants:	15 Students

Introduction:

A visit to Jivandhara Vidyalaya is organized every year. As part of these three to four faculty members and few students (nearly about 15) visit the school. We also provided the necessary teaching aids and stationery like Craft materials, charts, toys also sports material. The College students also interact with the special able students and play games with them. The interaction during the event helps our students to build relationships and understand different perspectives. We got to know that these children required skill teachers to teach them, and the difficulties teachers face while training them.
