To,
Dr. Rajendra Gurao
Principal,
Haribhai. V. Desai College Of Commerce, Science and Arts

The office of the Chief Electoral Officer is pleased to present this certificate as a token of appreciation of the work carried out by the college in enhancing participation of students in the electoral and democratic processes.

I am very happy to note that the college has established 'Electoral Literacy Club (ELC)' intended to make students aware and well-informed citizens. It is indeed noteworthy that through various ingenious and innovative activities of ELC, awareness is being created among students about democratic values and importance of their electoral participation. This will go a long way in instilling faith and trust of the young generation in the democratic system.

I congratulate you and your team for these sincere efforts! I wish you the best for taking this work forward with utmost zeal.

Let us work together towards creating well-informed citizens to strengthen our democracy!

Shrikant Deshpande
Additional Chief Secretary
