To,

Mr. Yogesh Deshpande

Founder – Creative Director,

Redefine Concepts, Pune

Subject: Letter of acknowledgement for the discussion program of Pune Metro held at Haribhai V. Desai College, Pune.

Sir,

This is in regards to the discussion program of Pune Metro held at Haribhai V. Desai College on 21st August 2018, Tuesday. The program was held for the teachers, students as well as for the common citizens of the Pune city. It truly helped them understand the timelines and the work progress of Pune Metro by solving their queries, doubts and questions. It was our pleasure hosting this event at our college and to get associated with team of Maha-Metro for their ongoing work in Pune.

Thanking You

Yours Faithfully,

Mr. Girish Pathade

Principal, Haribhai V. Desai College,

Pune

To,
The Secretary,
PGK mandal,
H. V. Desai College,
Pune,

Subject: Permission to hold an event for Pune Metro at H. V. Desai College.

Respected Sir,

We, Redefine Concepts being the official communication partner of Pune Metro, would like to conduct a knowledge transfer seminar called "**Pune Mtero Sanwad**" regarding, how a rapid transport system like the metro can bring about a dramatic change to the environment of the city as also reduce the transport woes of the citizens of Pune.

As H. V. Desai College is located on the metro blue line, we would like to organize the event on July 26,2018 or July 27,2018 at H. V. Desai College. The duration of the show will be two hours and we will finalize the timings as per your convenience and the daily timetable of the students.

This seminar will have a two-way communication between the metro officials and citizens - students about the ongoing work of Pune Metro, the implementation plans, proposed timelines, and would also be helpful for the citizens to interact with the metro officials directly and to clarify their doubts.

We would like to request you to please seek us the permission to hold this event in the auditorium of your college.

Awaiting a positive reply!

Thanks and Regards,
Apurva Modak
