Brief Report:

Guest lecture on “Green School” was conducted by Ms. Swati Rani Pandit for the teachers and students of Siddhartha Free Child Education Center, Basadhi and Baraur, Bihar in collaboration with an Suryodaya Science Foundation, NGO. A lecture was delivered on the topic of Green School with an aim that the teachers and students of the school get engaged with the environment and build their sustainable skills with interactions. Total 14 teachers and along with their class students participated in the event. The lecture was beneficial to the teachers and students in understanding their role in transforming their school into a eco-friendly green school. School students actively participated and also displayed things made by them for greening their school. Teachers enthusiastically participated in the lecture and had a fruitful interaction followed by several questions for engaging in greening school activities.

Outcome: The teachers and students were guided to undertake Green School initiatives in their school. The teachers were informed regarding their role in Greening Schools and guiding students regarding the same. The students were guided in different activities that can be undertaking as a learn process for them and greening school activities.

Subject: Letter of Invitation for a Guest Speaker

Dear Madam,

On behalf of Suryodaya Science Foundation, I am delighted to invite you as a guest speaker. As part of our educational program 'Environmental Education Academy' we are conducting a series of workshops for primary school teachers and students. The program aims to get everyone associated with an educational institution to truly engage with the environment and build their sustainable skills through online interactive webinars, hands-on activities and advocacy for students and faculty.

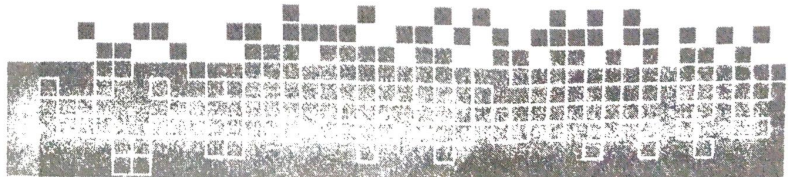

It will be very helpful if you address our teachers regarding the topic 'Green School'. By sharing your views, experiences you can inspire them to understand their role in transforming a normal school into a green school. 15 primary teachers from Siddhartha Free Child Education Center, Basadhi and Bakraur Branch (Bihar) will be present for this session. Your lecture is scheduled on February 3, 2023 at 2:30 pm virtually (Google Meet).

We hope you will accept our request for this invitation.

Thank you very much,

Regards,

Dr. Niramaya Muchate,
(Co-Founder)

Subject: Letter of Appreciation

Dear Madam,

I am writing to thank you on behalf of our entire team at Suryodaya Science Foundation for your talk on "Green School" on 3rd February 2023 for primary teachers (14 present) of Siddhartha Free Child Education Centre, Basadhi and Bakraur Branch Bihar. Your speech was very informative, remarkable and helped the teachers to understand the green school transformation strategy. We sincerely thank you for taking time out of your busy schedule to provide us with such valuable information.

I look forward to our next interaction soon. All the best for your next move

Thank you very much

Regards,

Dr. Niramaya Muchate,
(Co-Founder)
