Campus Interview - ORAH. PVT.LTD. Pune.

06.09.2023

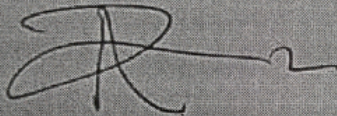

Dear Dr. Vikram Pandit Sir,

Greetings!!

We have gone through the HR (HP) Interview Sheet of all the students. As explained to you, we follow a "T Shaped " Hiring Process and thus the Selection criteria is quite tough. The students have written well but not as per the expectations of the company. Hence, we would not go ahead with the Personal Interview Round.

We sincerely remain at your disposal for any further queries.

Regards

Ashish Porwal.
