

Haribhai V. Desai College, Pune

Frankfinn

Report

A guest Lecture was organized on 05-02-2019 for the Students of Haribhai V. Desai College by Frankfinn Institute Pune. More than 50 Students participated in the same. The guest speaker in his speech said that, the Aviation Industry Report unveils a sky full of career prospects, catering to diverse talents and aspirations. From pilots and air traffic controllers to engineers and aviation management professionals, the industry offers a spectrum of roles. With the global expansion of air travel, demand for skilled professionals is at an all-time high, ensuring a robust job market. Technological advancements, coupled with a focus on sustainability, further open doors for innovation and specialization. This lecture underscores the vast opportunities within the aviation sector, making it an exciting destination for those aspiring to navigate a dynamic and rewarding career path. Vote of thanks was proposed by Prof. Archana Pandit.
