### **Proposal for Skill Development-Aptitude**

#### **Introduction:**

The step towards getting placement is to crack the aptitude test. Students always have the fear of mathematics and this fear can be reduced by improving skills required to solve aptitude problems. Aptitude involves mathematical skills which is effective way of building mental discipline and encourages logical reasoning and mental rigor.

#### **Objectives:**

- To improve logical thinking
- Developed and strengthen mathematical skills
- Gets tricks for solving crucial problems
- Increases productivity in placement

#### **Outcomes:**

- Students will be use analytical abilities to solve quantitative aptitude questions from company specific tests.
- Students will be improved in logical thinking.
- Students will be expert in problem solving.
- Students will be one step closer towards achieving the placements.

**Date:** 3<sup>rd</sup> and 4<sup>th</sup> March 2023.

**Time:** 2.00 pm to 4.00 pm.

**No. of students:**100
