Action Taken Report

The meeting was conducted on 10th April 2023, visits were conducted on 15th April 2023. The findings suggest students know about the anti-ragging, they do not know who frames the rules but call it a university or state government. Students know the effects of ragging and do not believe in such practices.

No untoward thought process was found. 8 teachers (4 each from self-financed and grantable section) and the team participated in the activity.
