WORD FORMATION PROCESS

BLENDING

Name: Prachi Annu Khude
Std: 10th (E)
Date: 23/8/20
Day: Wednesday

BLENDING

-When two words are mixed to form a new, single term, such as a word formation process is called blending.
-Blending generally, the first part (or beginning) of one word is mixed with the last part (or end) of another to make a new word.
-This differs from portmanteau, where two or more complete individual words are joined together.
-In blending, only part of word are combined to form a single word.
